

Greetings Campers!

My name is T.J. Read, and I am the camp director for the UCF Volleyball Camps. We're excited that you will be spending time with us this year, and we look forward to having you on our campus!

As we get closer to the All-Skills camp July 19-21, I wanted to reach out and provide some information regarding camp!

A detailed schedule is attached in this email along with a map of campus and required parent waiver.

Check-In/Check-out (Residents) @ Lake Claire Dormitory

Resident camper check-in will start at 9:00am at the Lake Claire Dormitory and resident campers will then meet to walk over to The Venue for the first session. More details regarding the location for check-in will follow in the coming days. On the final day of camp, the campers will be escorted back to the dormitory to check-out of their rooms at 4:15pm. If you have a roommate request that you have not already submitted when registering, please let us know as soon as possible. If you are not sure about your rooming situation, please don't hesitate to send us a quick message to verify.

When checking out, commuter campers may not leave the gym until the designated guardian or parent comes into The Venue to sign them out. Campers may not run out to meet their parent outside of the gym. We don't mind if you have another parent/guardian pick-up or drop off as long as this is communicated on the first day of check-in. We appreciate your understanding with this as we take the safety of each camper very seriously. Please see the map attached for more information on where you can park in Garage F. Parking is free in this location for drop-off and pick-up.

Campers Driving Themselves

For commuter campers wishing to drive themselves, you will be able to park in Garage F on the 3rd Floor or higher. UCF Volleyball Camps is not responsible for any parking violations or mishaps that might occur in the garage.

For resident campers wishing to drive themselves, please notify me as soon as possible so that I can make arrangements for this.

Parent Waiver Attached

Please fill out, scan and email, or bring with you on the day of camp for us to collect. This document is required by the University of Central Florida.

Watching Camp

Parents/guardians and families are more than welcome to watch camp sessions on the upper mezzanine of The Venue. To enhance the learning of the campers we ask that they are not interrupted during a session.

Airport Transportation

If you plan on flying into Orlando and need to be picked-up and/or dropped-off at the airport, please send me your flight information. The cost for airport transportation is \$30 each direction.

Spending Money & Camp Credit

You won't need money for the meals listed above, but you may want to bring some spending money. We will have a camp store with snacks and apparel. Also, some athletes may like to order pizza in the dorms at night. If you would like our staff to maintain the funds in our camp credit system, we are happy to do so. This system prevents campers from misplacing their money and adds convenience to utilizing the camp store.
